#### **Basis for Qualified Conclusion**

- 3. We draw your attention to Note 6 to the accompanying statement, which states that the company has not provided interest for Rs.33.55 crores for the year ended March 31, 2019 and Further Company has reversed the interest provision of Rs.4.77 crores for the period 1st February 2018 to 31<sup>st</sup> December 2018 on the basis of the duly authenticated Minutes of Meeting held with said Lender's as described in aforesaid note. As per said Minutes of Meeting, bulk of the Loans were to be adjusted against a Project in one of the subsidiary. However said matter is under litigation and the Loans are carried in books without any Interest provisions. Consequently the profit for the Quarter and year is overstuled by Rs.38.32 crores, other current liabilities is understated by Rs.38.32 Crores.
- 4. We draw attention to Note 7 regarding, amount of Rs.5 crores being received against disputed sale of shares of one of the subsidiary and the matter is currently sub-judice and the same is shown as other current liability. We are unable to comment on the same.
- 5.Management has not considered any provision for impairment in respect of investments aggregating Rs.58.56 Crores in Satra Property Developers Private Limited wholly owned subsidiary whose accumulated losses substantially exceed its paid up capital. Consequently the profit for the Quarter and year is overstated by Rs.58.56 crores, and Investment is overstated by Rs.58.56 Crores

## To The Board of Directors of Satra Properties (India) Limited

- 1.We have audited the accompanying Consolidated statement of financial results of Satra Properties (India) Limited ('the Company') comprising its subsidiaries (together, 'the Group') and its associates for the quarter and year ended March 31, 2019 ('the Statement'), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('the Regulation'), read with SEBI Circular No. CIR/CFD/FAC/62/20 16 dated July 5, 2016 ('the Circular'). The Consolidated financial results for the quarter and year ended March 31, 2019 have been prepared on the basis of the Consolidated financial results for the nine-month period ended December 31, 2018, the audited annual Consolidated financial statements as at and for the year ended March 31, 2019, and the relevant requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as modified by Circular No. CIR/CFD/FAC/62/20 16 dated July 5, 2016, which are the responsibility of the Company's management and have been approved by the Board of Directors of the Company. Our responsibility is to express an opinion on these Consolidated financial results, based on our audit of the such Consolidated financial results for the year ended March 31, 2019 prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard (Ind AS) specified under Section 133 of the Companies Act 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India

## **Basis for Qualified Conclusion**

3. We draw your attention to Note 5 to the accompanying statement, which states that the company has not provided interest for Rs.49.77 crores for the year ended March 31, 2019 and Further Company has reversed the interest provision of Rs.7.30 crores for the period 1st February 2018 to 31<sup>st</sup> December 2018 on the basis of the duly authenticated Minutes of Meeting held with said Lender's as described in aforesaid note. As per said Minutes of Meeting, bulk of the Loans were to be adjusted against a Project in one of the subsidiary. However said matter is under litigation and the Loans are carried in books without any Interest provisions. Consequently the profit for the Quarter is overstated by Rs.57.07 crores , other current liabilities is understated by Rs. 57.07 Crores.

- 4. We draw attention to Note 6 regarding, one of the subsidiary having received Rs.11 Crores as consideration for proposed allotment of flats in Matunga Project and for which GST provision has not been made and the matter is currently sub-judice and the same is shown as other current liability. We are unable to comment on the same.
- 5. We draw attention to Note 7 regarding, amount of Rs.5 crores being received against disputed sale of shares of one of the subsidiary and the matter is currently sub-judice and the same is shown as other current liability. We are unable to comment on the same.
- 6. We draw attention to Note 8 regarding, non-inclusion of financial statements of one of the subsidiary, Satra Buildcon Private Limited while preparing consolidated financial statement. In the absence of any data, the opening balance of Assets and liabilities are carried to the balance sheet. The effect of this exclusion is considered material to the consolidated financial statements. We are unable to determine and comment the effects of the misstatement on the consolidated financial statements.
