1. The above Unaudited Financial results have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on February 14, 2018. The Statutory Auditors have carried out Limited Review of the Standalone Financial Results.

2. The Company adopted Indian Accounting Standards ("Ind AS") notified by the Ministry of Corporate Affairs with effect from April 1, 2017 (being transition from April 1, 2016). Accordingly these Financial Results for the quarter and nine months ended December 31, 2017 have been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (amended) as prescribed under Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India. 4. Income from real estate sales is recognised on the transfer of significant risks and rewards of ownership to the buyers and it is not unreasonable to expect ultimate collection and no significant uncertainty exists regarding the amount of consideration. However if, at the time of transfer substantial acts are yet to be performed under the contract, revenue is recognised on proportionate basis as the acts are performed, i.e., on the percentage of completion basis.

Revenue from construction contracts, where the outcome can be estimated reliably, is recognised under the percentage of completion method by reference to the stage of completion of the contract activity.

Determination of revenues under the percentage of completion method necessarily involves making estimates by the Company some of which are of a technical nature, concerning, where relevant, the percentage of completion, costs to completion, the expected revenues from the project/activity and the foreseeable losses to completion. The estimates of costs are periodically reviewed by Management and the effect of changes in estimates is recognised in the period such changes are recognised, when the total cost is estimated to exceed total revenue from the project, the loss is recognised immediately.

5. Due to adoption of Ind AS necessary changes has been done in the accounting and measurement criteria of various assets, liabilities and items of income and expenditures.

6. The Company is operating in a single Segment i.e. Real Estate Development and trading in Properties and Transferable Development Rights and has only domestic sales. Therefore there is only one reportable segment in accordance with the Indian Accounting Standard (Ind As) 108 on "Operating Segments".

7. Previous period / years figures have been regrouped / rearranged whenever necessary.
